## Creation and Management

George S. Yacoubian, Jr. and Erica Yacoubian began their adoption process in 2005. Throughout the spring and summer, they went through home study and various levels of domestic governmental approval. While in Armenia visiting the Our Lady of Armenia Center Summer Camp, they saw Liliانا for the first time. George submitted their dossier to the Armenian government that fall, received preliminary approval in December, and obtained final approval the following March. Liliانا arrived in the United States on April 23, 2006.

The Society for Orphaned Armenian Relief (SOAR) was established in the fall of 2005 as a nonprofit organization that provides humanitarian relief to orphaned children living in Armenia. In early 2006, an experienced Board of Directors was assembled, a network of Partners in Armenia was recruited to assist with distributions, and the web site was launched. In 2009, a National Board of Trustees was created to annually review SOAR's fiscal operations and distributions.

Represented by 137 Chapters and 6 Junior groups worldwide, SOAR supports 38 institutions throughout the world. Some volunteers are parents of adopted Armenian children; others simply recognize the significance of SOAR's work and want to help perpetuate its mission. The common bond among them all is the recognition that orphaned Armenians represent the most vulnerable population of Armenian society.

# Quality Control

SOAR has a strict quality control protocol to assure that all donations, in their entirety, reach the intended recipients. This protocol has five essential elements:

1. SOAR rarely makes cash distributions directly to the orphanages. Rather, goods and services that can be procured in Armenia are purchased by SOAR's Partners and distributed directly to the orphanages.
2. It implements chain-of-custody procedures for any distributed goods or services, providing assurance that these items have been received by the orphanages in the exact quantity intended. These procedures have three steps:
  - a. Partners sign for the shipments and/or attest to the type and quantity of goods or services procured in Armenia. This invoice includes an exact description of the type and quantity of goods and services.
  - b. The recipient orphanage's director signs this same invoice, indicating that the exact type and quantity of goods and services received is the quantity indicated.
  - c. Both invoices are mailed to SOAR's Executive Board Chairman.
3. SOAR Partners, Yerevan Chapter members, and other volunteers who visit Armenia make random inspections of the orphanages. Any distribution discrepancies are to be reported immediately to SOAR's Executive Board Chairman.
4. When possible, goods donated or services provided by SOAR are engraved and/or stamped with a corporate seal. Capital projects are acknowledged with a dedication ceremony and plaque.
5. A zero-tolerance policy for fraud, theft, and/or deception is imposed. Any malfeasance would result in the termination of assistance.

Before March 2011, the orphanage housed up to 35 girls who lived in an environment of peace and who attended regular school. Because of the war and the unrest in Aleppo, many of the Armenian orphans could no longer stay at The Providence Orphanage. There are currently 14 boys and girls living in S.O. Khach Orphanage, ranging in age from 8 to 19 years old.

## Conclusion

The Society for Orphaned Armenian Relief (SOAR) was established in the fall of 2005 to provide humanitarian relief to orphaned Armenian children and orphaned Armenian adults with disabilities. SOAR's long-term goal is to provide orphaned Armenians throughout the world with the resources fundamental to their physical, emotional, and intellectual development.

In calendar year 2018, the Albert Tamberchi Foundation distributed \$54,757.21 to SOAR to support the purchase of bicycles at Nubarashen and Shengavit Kindergarten; the construction of computers and related equipment at GSCC; and complete renovations (bathrooms, classrooms, bedrooms, and hallways) at Nubarashen.

SOAR is extremely thankful for the support it receives and extends its heartfelt gratitude to The Albert Tamberchi Foundation for its generosity in 2018. The desire to improve the lives of orphaned Armenians is the bonding element among our supporters. If you have any questions about SOAR, the institutions we serve, or this report, please contact George S. Yacoubian, Jr., at (610) 213-3452 or by email at [gyacoubian@soar-us.org](mailto:gyacoubian@soar-us.org).
